JOINT COMMENTS

WKLK, Inc., licensee of Station WKLK-FM, Cloquet, Minnesota¹ and QB Broadcasting Ltd. ("QB"), proposed assignee of Station WKLK-FM, hereby submit their Joint Comments in the above-captioned proceeding. In support of their position, the following is submitted:

1. On March 13, 1992, the Commission released a Notice of Proposed Rulemaking, DA92-259, in which the Commission proposed to substitute Channel 243C3 for Channel 243A at Cloquet, Minnesota, and to modify the construction permit for WKLK-FM to specify operation on Channel 243C3. On March 23, 1992, WKLK and QB filed an application for assignment of permit for Station WKLK-FM (File No. BALH-920323HR).

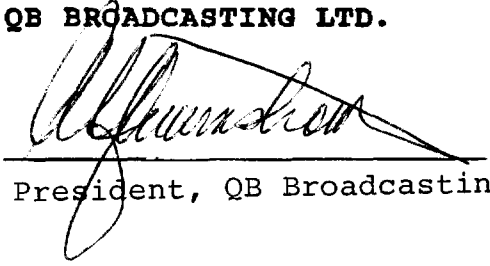

¹At the time that WKLK filed its Petition for Rulemaking, Station WKLK-FM was known as Station KOUV(FM).

2. The public interest clearly would be served by the allocation of Channel 243C3 to Cloquet, Minnesota, since it would provide Cloquet with an additional wide coverage area service and would also enable Station WKLK-FM to expand its coverage. In the event that the Commission allots Channel 243C3 to Cloquet subsequent to the Commission's grant of the pending assignment application for WKLK-FM and consummation occurs, QB states that it will apply for the channel and, if its application is granted, will construct the station promptly in accordance with the Commission's requirements. In the event the Commission allots Channel 243C3 to Cloquet and the assignment application is not granted or consummation does not occur, WKLK, Inc. states its intention to apply for the channel and, if its application is granted, to construct its station promptly in accordance with the Commission's requirements.

Respectfully submitted,
